# SWFFTS AND SNACKS

Feature story - part 1 Japanese Sweets & Snacks

The world of okastri (Japanese sweets and seador) is more profound and complex more than it may seem. Japan has native seeds and enacks while people there have developed new styles and flavors as they introduce western cubure. The tradition of okastria and is development as well as the latest produce are desposed here.

Freeture story - part 2 Sweets & Snacks You Should Try This Summer From traditional to contemporary, here we plot seasonal sweets, new introductions to the market, and bestsets the summer.

# Focus gash: The Art Of Seasonal Expression and Hospitality

# **JAPANESE** SWEETS & SNACK

Okashi Liananese sweets and snacks) might not be as popular as sushi and romen in the U.S. yet, but they are becoming an integral part of the Western sweets and dessert scene. Matcha powdered green tea) flavored drinks are very popular in cafes, and vuzu Dapanese citrusi flovored desserts are getting attention. Here, we introduce Japanese sweets and snacks as well as the latest akashi trends in Japon

conference while playby is used in a more peneral way to erfor to both traditional and conference are sweets and strecks. Traditional and contemposary sweets are different in their ingredients and cooking methods. Wagash's ingredients are manifyrice, beses, kanten (agar-agad), kuzu the soot of the wheat four east cream and chorolate in addition to wase and balone and freed are the man copino nethods Of course, there are some sweetsdorayaki ta pancake sandwith with red bean paste filling), srisoki (a fish-shaped, baked cale with red
